

# Be informed in Community Services, with a focus in Disability and Aged Care

## Short course: The CALD Vocational Language (CVL) program

### Course description:

This short course will provide access to training that specifically addresses the language skills CALD people need to gain employment in the Community Services Sector with a focus in Disability and Aged Care services. This course supports migrants and refugees with marketable vocational skills and knowledge to secure employment within the Australian workforce.

### This course also provides:

Information and language that is relevant to the Community Service Sector in Australia. There are employment opportunities in the Disability and Aged Care Sectors.

### Course outcomes including:

- Improve understanding of words and language used in the Community Services sector
- Greater understanding of the different job roles in the Disability and Aged care organisations
- Pathway information of the Community Services Courses

### HOW TO GET INVOLVED:

7week - one day a week

**Start date: Friday 23 Oct. to 27 Nov. 9.30am to 2.30pm**

TAFE NSW Bankstown Building C 500 Chapel Road Bankstown
