

**BE AMBITIOUS**

# ARE YOU EMPLOYED IN AGED CARE AND DISABILITY COMMUNITY SERVICES?

**ENTRY INTO CARE ROLES SKILL SET**  
COURSE CODE - CHCCSS00114

## **COURSE DESCRIPTION:**

This skill set addresses the skills and knowledge required to provide entry level support for basic client care for a range of roles and purposes required within the aged care and disability support sectors. The support provided in client care will be predominantly non-direct, with some basic direct client care, in order to maintain the safety of both the learner and client in care.

The skill set equips learners with basic skills and knowledge for entry into the care workforce via theoretical online training, before undertaking practical aspects of the training once employed.

## **COURSE UNITS:**

CHCCCS015 – Provide individualised support  
HLTINF001 – Comply with infection prevention and control policies and procedures  
HLTWHS002 – Follow safe work practices for direct client care

## **COURSE OUTCOME:**

The units provide credit towards the CHC33015 Certificate III in Individual Support and other qualifications that allow for selection of these units such as CHC43015 Certificate IV in Ageing Support or CHC43115 Certificate IV in Disability.

## **DELIVERY STRUCTURE:**

This course is designed for online learning. You will work through structured material via an online platform (Moodle). There will be connected classroom opportunities for support and teaching. You will be required to complete assessments on Moodle, some skills assessments will be held at Bankstown TAFE as directed by your teacher. You will also be assessed in your workplace by your workplace supervisor.

BE INDUSTRY TRAINED  
BE AMBITIOUS

**COURSE INFORMATION:**

This skill set responds to an industry need as a result of COVID-19 and is time limited to the pandemic and recovery phase.

This skill set is valid until 30 June 2021, with a mid-point review in December 2020. It may be extended by quarterly intervals if required, to align with the course of the COVID-19 pandemic and recovery phase.

Students will require access to appropriate technology (i.e. computer, laptop or tablet), software (i.e. Moodle platform, Adobe Connect/ Microsoft Teams etc.) and internet access. Students must have access to a computer and internet to complete and submit their knowledge assessment.

Students must also be able to attend a TAFE NSW campus to participate in a skills assessment role-play (responding to a workplace emergency).

To be eligible for this training students need to be employed in the ageing or disability sector for less than six months and have no relevant qualifications already.

Once students have completed the coursework, they will undertake a practical assessment in the workplace. The student must ensure professional personal presentation including any required personal protective equipment such as enclosed footwear and comply with the workplace Health and Safety Procedures that may be specific to their workplace environment.

Entry and screening requirements for the ageing and disability support sectors may vary according to State/Territory or organisational policies; however, common expected requirements may include, but are not limited to:

- National police check
- First aid certification
- Working with Vulnerable People registration
- Working with Children Check
- Mental health first aid
