Conditions:

- We will accept a maximum of 20-25 participants for each session on a first come, first served basis. Registrations are through Eventbrite. Sometimes, all spaces may be booked out before the deadline to register.
- We know workers appreciate these free professional development opportunities and respect the preciousness of each available place. So we expect that everyone registered will attend, and prioritise their attendance once they have registered.
- Where you have registered but absolutely cannot attend, we expect that you find a colleague or a network contact to replace you asap. You will need to go back into Eventbrite to remove yourself from the registration list and have your colleague add their details. If you or your colleague has any issue doing this, please contact the Facilitation Project worker in charge of that particular training session asap (see far right hand column above).
- To register, workers need to provide: full name, organisation, work email and mobile number via the Eventbrite registration link provided. Self-registration only.
- Eventbrite confirmations are automatically sent after registering (no one will be able to register once all spaces have been filled).
- We will send out a Zoom link that you can keep somewhere safe approximately a week before the training session.

For any questions about this training calendar or to discuss your training needs, please contact dsanjose@fairfieldcity.nsw.gov.au
