

# Career Pathways for Refugees in Health

## Assistant in Nursing & Wards Person

Are you from a migrant or refugee background looking to start a career in the Australian Health industry?

If yes, we are currently receiving Expression of Interest (EOI) from candidates for the Career Pathways in Health Program. Start training for a truly rewarding career. This short course is an introduction to working in Hospitals, Aged Care facilities, Clinics, Private Medical Practices and Home and Community Services.

This program is for people who have an interest in a career in one of the mentioned roles and be prepared to undertake training. People with overseas skills and experience in the health industry are encouraged to apply.

#### Course Information:

##### Units:

- HLTINF001 Comply with infection prevention and control policies and procedures
- HLTAAP001 Recognise health body systems
- HLTWHS001 Participate in workplace health and safety
- CHCCOM005 Communicate and work in health or community services

Starts on 3 May 2021

Ends on 25 June 2021

2 days per week, 9:30am to 2:30pm

The program will be offered across four TAFE NSW locations: Granville, Wetherill Park, Liverpool and Campbelltown.

Learn about the South Western Local Health District – SWSLHD recruitment process and volunteer program by participating in the free workshops included in this program.

Eligibility criteria: To access government subsidised training in TAFE NSW, including fee exemptions or concessions, you must be:

- an Australian citizen or meet the criteria of being an Australian permanent resident, a humanitarian visa holder, or a New Zealand citizen;
- aged 15 years or older;
- no longer be at school; or
- living or working in NSW;

If you are a Bridging Visa holder you will need to provide documentation as evidence of your humanitarian visa application, please include a copy of the document when you confirm your place on the program.

Units within this course pathway into Certificate III in Health Services Assistance.

The program is facilitated in partnership with CORE Community Services, TAFE NSW and South Western Sydney Local Health District (SWSLHD).
