

SIBs Club: Minecraft Build Challenge Workshops

SIBs Club supports children who have a sibling with a disability explore varied and different experiences, as well as having the opportunity to meet other children who share a similar experience.

➤ **Join KOORANA and Microsoft trainers for FREE online Minecraft workshops.**

In this NEW course, children will explore how playing in Minecraft can be used to build and create in an online environment. They will learn how to play and work together in teams, with only their imagination to limit their creativity.

About the workshop:

- It's FUN and FREE;
- For children aged 7 – 12 years;
- A computer, access to the internet, speakers and video are needed for this course;
- Minecraft needs to be installed on all devices;
- A FREE web version is available at Classic.minecraft.net.

WORKSHOP DETAILS:

Five (5) one-hour lessons running once a week for five (5) weeks.

**Thursday 19th November to
Thursday 10th December from 5pm to 6pm**
