

WINTER HOLIDAY PROGRAM

Join us these holidays for our programs that are built to facilitate growth, empowerment, and a positive concept of identity. From storytelling and spoken word to debating, from jewellery making to sustainable and healthy living! Here are our unique programs below with respective links to register.

Jewellery Making, where we seek to develop young people's creativity into expressing their culture, tradition, and social skills. Students will get a chance to share with the group their final polymer clay work and explain to the group their artwork.

Date: 30th June
Time: 11:00am - 2:00 pm
Age Group 12-18 years (Boys & Girls)
