

FREE WORKSHOP

Getting Ready for High School Workshop

A 1 hour workshop that informs and supports parents to prepare their children for high school.

Parents will learn:

- About the secondary school system and the changes that they and their children should expect as they make the transition
- Strategies to support children and aid them to prepare practically to make the transition to high school
- Strategies to address children's concerns about high school and support them emotionally throughout the transition process

Parents will receive:

- Handouts about high school and practical strategies to support children

Who is running the course?

The course is facilitated by our fully trained and accredited practitioners.
