# ***MORE JOBS MORE CARE***

- More Jobs More Care is a NSW Government \$17 million initiative to get more people into a career in disability support.
- More Jobs More Care is needed because there is currently a shortage of skilled workers in the sector and the forecast growth for workers is significant.
- More Jobs More Care will connect people to the sector through information sessions like this, provide free mentoring, training and worker checks that are mandatory for the sector. Then we connect you to real work experience with our industry partners.
- Access to employment may be through traineeships arranged within More Jobs More Care or using the skills and experience you have gained to start working within the sector in a way that suits you.
