

Deadly Connections

BACK TO SCHOOL

Supply Drive for 2021
16th November 2020 - 20th January 2021

What We Need:

School items: calculators, pencils, pencil cases, rulers, erasers, scissors, glue sticks, pens, crayons, textas etc.

Personal items: shoes, joggers, socks, hair ties, backpacks, lunch boxes, water bottles etc.

Vouchers: Kmart, Woolworths, Officeworks, Rebel, Athletes Foot, Payless Shoes, Best & Less etc.

Starting back at school is a difficult time for families, it is even more difficult for families that are already facing hardship.

We are running a back to school supply drive for term one of 2021 for our communities including the children and parents that participate in our programs.

Research indicates that starting back at school with the necessary items increases learning, classroom participation and general well-being.

Contact us for bulk pick up, or please deliver to:
