

# PHYSICAL ACCESS TRAINING

ZERO BARRIERS

**ONLINE**

**WEBINAR**

DATE: 02/04/2025

TIME: 7:45AM - 8:30AM

PLACE: ZOOM (ONLINE)

Participants working in public spaces and service industries will learn about The Disability (Access to Premises-Buildings) 2010, universal design principles, and take away tips on how to be more accessible (e.g. assistive devices, navigating accessible design features, and adapting practices to meet individual needs). Participants can then make small to big access improvements to positively impact people with disabilities.

Trainer: Access professional
