

# Free eLearning LGBTQ+ Inclusive Practice for Aged Care Services

Expand accessibility to your ageing clients by providing a safe, LGBTQ+ inclusive space that delivers exceptional person-centred care.

**Duration:** 45 minutes

**Audience:** All professionals in the aged care sector

This **eLearning** is designed for people working with LGBTQ+ older adults to learn more about this community, their health needs and inclusive care strategies.

The training covers a range of areas to increase your knowledge and confidence in working effectively and respectfully with LGBTQ+ older adults.

**The eLearning has 4 interactive modules:**

1. Introducing LGBTQ+ older adults
2. Understanding the health and wellbeing needs of LGBTQ+ older adults
3. Maintaining standards of care for LGBTQ+ older adults
4. Applying LGBTQ+ inclusive practices into Aged Care
